

Mas Jullien Larzac Rouge 'Autour de Jonquieres'

THE FACTS

COUNTRY: France

REGION: Languedoc-Roussillon

APPELLATION: Terrasses du Larzac

THE STORY

Mas Jullien is a young estate with a long history deeply rooted in the hillsides of Languedoc. They control 15 ha of vines scattered around the village of Jonquières, north of Montpellier and 40 km inland from the Mediterranean. The vines grow on the rocky terraces of the Larzac plateau at the foot of Mont Baudille, planted at up to 900 m, at some of the highest altitudes in the region.
