

Jurtschitsch Grüner Veltliner Terrassen

THE FACTS

COUNTRY: Austria

REGION: Niederosterreich

APPELLATION: Kamptal

THE STORY

Weingut Jurtschitsch is one of the most prestigious wineries in Austria. Having previously been run by the three brothers Edwin, Paul and Karl Jurtschitsch, the family-owned winery has now been in the hands of Alwin Jurtschitsch and his wife, Stefanie Hasselbach (of Gunderloch fame in the Rheinhessen) for more than ten years. Alwin and Stef are now leaders of the natural wine movement in the Kamptal.

Jurtschitsch aims for a classic style of Kamptal wines, but more like an old-style of classic, that was made by their grandparents. This means, emphasizing the cool climate of Austria and making wines with finesse that strike a balance of ripe fruit and fresh acidity.
