THE STORY

Domaine Lassarat is a family estate located in Vergisson, a village in Burgundy, at the gates of Beaujolais, surrounded by 2 famous rocks: La Roche de Vergisson and La Roche de Solutré. The estate produces 80,000 bottles per year, spread over 4 different appellations: MACON-VERGISSON, SAINT-VERAN, POULLY-FUISSE, and WINDMILL. Their vintages, with assertive and complementary characters, are distributed throughout the world, while respecting a diffusion that guarantees our values. Under the leadership of Pierre Henri, the estate is transformed throughout the seasons, with the contribution of new techniques, respectful of the soil and the vines and contributing to the continuous improvement of the estate's wines.
