THE STORY

A company steeped in Italian heritage. Owners Julius and Paul Angelini spent their childhood years in the farming village of San Lorenzo in Campo, within the Marche region of Italy. The family's third generation, 200-acre farm land features 8

specialized acres devoted to vineyards of Sangiovese,
Vernaccia and Merlot. In 1986, Angelini Wine, Ltd. was
founded by Julius and Paul Angelini when they were joined by
their longtime friend, Ron Plebiscito. The partners are known
for their intimate understanding of the production of premium
quality wine. The trio makes frequent trips to Italy where they
have personal relationships with each producer and visit the
vineyards and tour the wine cellars.
