## THE STORY

Titus Vineyards is a family owned 50-acre vineyard and winery located in the heart of the St. Helena AVA at the base of Howell Mountain along the Silverado Trail in Napa Valley. In the last half-century, some of the Valley's finest wines, including Beaulieu Vineyards, Cuvaision and Charles Krug have originated from our historic vineyards. The documented history of the property extends back to 1841 and includes General Mariano Vallejo, Dr. Edward Bale, Charles Krug, and Eli York, just to name a few. The land has been continuously farmed for over 150 years, with the Titus family's first harvest coming in 1969. Our modern-day legacies of winemaking and land stewardship are now reflected in the distinctive and well-balanced wines made here at the Titus Vineyards winery.
