Sylvain Morey
Chass Mont Rouge 1er Cru Champs Gains

The Facts

COUNTRY: France
REGION: Burgundy
APPELLATION: Chassagne-Montrachet

The Story

Sylvain has spent the last few decades establishing his own domaine, Bastide du Claux, located south of Burgundy in the Luberon. His experience working on his own project, combined with the deep knowledge he gained working with his father, has matured Sylvain into a thoughtful and confident vigneron. He is someone who respects the traditional manner in which his father worked but also brings his own sensibility to the table. He plans to split his time between Chassagne and Luberon working in the romantic mold-filled cellar in which his father has always worked. Upon his first releases in 2014, his mark on the wines are evident. --RWM
