THE STORY

Ca' Viola, located in Dogliani in the heart of Piemonte's Langhe region, is owned by renowned Italian oenologist Giuseppe "Beppe" Caviola. He uses sustainable vineyard practices and minimal intervention winemaking, offering an authentic expression of Piemonte's finest terroirs.

PHILOSOPHY: Beppe showcases the terroir of the Langhe employing sustainable vineyard and winemaking practices at all times. He does not use select yeasts and does not filter his wines, except the Riesling. His focus is on the microclimate and grape and creating a wine that reflects the purest expression possible of this terroir.
