

Roger Goulart Gran Reserva Josep Vals Cava Brut

THE FACTS

COUNTRY: Spain
REGION: Catalunya
APPELLATION: Cava

THE STORY

Founded in 1882, Roger Goulart is in the village of San Esteve. A quintessential Cava producer, Goulart pioneered the traditional method sparkling wine production in Spain. They source their fruit from 50 acres of mostly Xarel·lo, which are harvested at dawn to guarantee freshness. Xarel·lo is a grape of character and structure, which makes it suitable for long aging cavas. Following the practice of the best wineries of Champagne, Roger Goulart caves were excavated 100 feet underground: a mile of tunnels that provide the best conditions all year-round for the second fermentation inside the bottle. During bottle aging, “deplacé” is performed by hand until disgorgement and bottling. Their Gran Reservas are only disgorged under purchase order to provide their bubbles in their best condition.

THE ADJECTIVES

OVERALL: Delicate & Complex

AROMAS / FLAVORS: Ripe stone fruit and savory complexity.

MOUTHFEEL: Intense & Velvety

THE SELLING POINTS

SUSTAINABILITY: Vegan, Sustainable In Practice
