THE STORY

Jean Dauvissat, and his son Sebastian, are the most recent in an extended line of the Dauvissat family that has been in possession of this notable domaine since 1899. The cave is positioned under the family house which dates from the 17th century and where the road to the hamlet of

The physical expansion of the domaine under his management, along with ever-increasing quality and accompanying renown, has resulted in the cessation of sales to negociants and the bottling of the entire annual production of approximately 50,000 bottles.
