THE STORY

George Hendry and his family have grown grapes on the same family farm in Napa Valley since 1939. Through more than eighty years of harvests, our connection to the land has deepened, and our knowledge has grown. Hendry Ranch is composed of 203 acres situated in the low, rolling hills just northwest of Napa, at the foot of Mt. Veeder, and includes 114 acres under vine. This location in the valley experiences substantial marine influence, allowing us to grow more than a dozen different types of wine grapes. All Hendry wines are made only from estate grapes, and are crafted to highlight the unique terroir of this very special vineyard.
