THE FACTS

COUNTRY: South Africa

REGION: Western Cape

APPELLATION: Breedekloof

THE STORY

Kumusha in the Zimbabwean Shona language translates to 'your home', 'your roots' or 'your origin'. World Renowned Sommelier Tinashe Nyamudoka believes the best wines are representative of their region. Through a collaborative process with respect to the vine, the winemaker and the consumer, Tinashe is building a brand of wines that represent and honor their roots. These are wines that Tinashe would not only like to drink himself, but wines that, from his experience as a sommelier, are representative of what is leading the way for the style of South African wines.

PHILOSOPHY: Minimal intervention wine making and natural fermentation is aimed at letting the wine be free to do the talking of its origin. These are wines that Tinashe would like to drink himself.
