THE STORY

Nicolas Idiart's journey into winemaking began with an extraordinary achievement—graduating from Bordeaux University as France's youngest winemaker at just 19. His early training at the renowned Chateau Talbot and Chateau Palmer provided a strong foundation in traditional winemaking and cultivated his dedication to excellence.

With over 20 vintages to his name, Nicolas has established himself as a specialist in small-batch, terroir-driven wines. His commitment to capturing the unique character of each vineyard is evident in every bottle, reflecting a deep respect for terroir and the timeless craft of winemaking.
