THE STORY

The spirit of BloodRoot is simple—make wines that reflect the soul of place, and make them at a quality and value that make them absolute no-brainers to drink. BloodRoot Wines is a project spearheaded by Noah and Kelly Dorrance, of Reeve Wines. The name connotes “life from death” as the “blood” of the vines is nourished by the “roots” and terroir that surround each plant. Known for elegant California Pinot Noir, Sauvignon Blanc, Chardonnay, and Red Blends—while also playing around with more obscure varieties—BloodRoot is also involved in community activism as part of 1% for the Planet, and the annual Ramble—a music festival to raise money to combat gun violence in honor of the Dorrance’s niece, Evelyn.
