ALCOHOL BY VOLUME: 0.0%

THE STORY

GOOD TWIN IS TOO GOOD TO BE TRUE. Crafted from estate-grown organic wine grapes Veneto, Italy, this 0.00% exquisite sparkling mirrors its alcoholic twin with vibrant effervescence, delicate citrus, white florals, and a hint of stone fruit.

PHILOSOPHY: Unlike most non-alcoholic wines that are de-alcoholized and stripped of flavor and quality, Good Twin is alcohol-free providing a quality that is unmatched.

BIOGRAPHY: The organic vineyards are situated on the plains and hillsides in the countryside north of Treviso. For more than five generations, the family has worked to live in harmony with nature and the environment. The family's desire to maintain the balance of the countryside ecosystem drove them to be among the first wine producers in Italy to produce organically starting in the 1980's.
