THE STORY

Made by hand, no robots. Since 1997, Ransom has crafted small-batch spirits in Sheridan, Oregon—farming, milling, and distilling everything on-site. Organic, solar-powered, and dry-farmed, we let nature and tradition shape every bottle.

PHILOSOPHY: At Ransom Spirits, we honor tradition while pushing boundaries. With organic ingredients, grain-to-glass methods, and bold innovation, we craft spirits rooted in authenticity, transparency, and a passion for doing things the right way.

BIOGRAPHY: Founded in Oregon in 1997, Ransom Spirits set out to revive lost traditions through bold, small-batch distilling. From grain-to-glass gin to whiskey and vermouth, every bottle reflects organic ingredients, craft heritage, and independent spirit.
