## THE STORY

Eben Sadie is a visionary force in South African wine, known for elevating the Swartland region through his uncompromising focus on site-specific, old-vine expressions. He's led a movement away from regional blending toward vineyard-driven authenticity. His Signature Series—Columella and Palladius—are celebrated blends sourced from meticulously farmed, low-intervention sites. These wines should not only be thought of as top South African bottlings, but some of the great wines of the world.
