

# Artesa Sauvignon Blanc

## THE FACTS

**COUNTRY:** USA - CA

**REGION:** Napa County

**APPELLATION:** Carneros - Napa

**CEPAGE:** 100% Sauvignon Blanc

**WINEMAKING:** The grapes were harvested in the early morning to preserve freshness and acidity. Our winemaker used a method known as "cool skin maceration" where the destemmed and crushed grapes were macerate during 3 hours into the press. After this time, the grapes were pressed very gently to extract the juice from the grapes. This yields a Sauvignon Blanc juice of great elegance, minimizing harsh tannins that naturally exist in the skins, seeds and stems. Once the juice in the tank, there was a 7 days lees maceration at very low temperatures (around 35°F). The wine was fermented with a selected yeast and aged on light lees, in stainless steel tanks, to preserve the bright, fruit-driven flavors of this unique varietal.

**ALCOHOL BY VOLUME:** 14.3.4%

**ANNUAL PRODUCTION:** 1800 cases
