

# Mount Fishtail Zero Sauvignon Blanc

## THE FACTS

**COUNTRY:** New Zealand

**REGION:** Marlborough

**APPELLATION:** Marlborough

**WINEMAKING:** This alcohol-removed wine-based beverage captures the vibrant character of Marlborough Sauvignon Blanc, with crisp citrus, tropical fruit, and a refreshing finish—offering all the flavor without the alcohol. To gently remove the alcohol, we use advanced cool vacuum distillation — a low-temperature process operating at just 86°F. Unlike spinning cone technology, which often relies on higher temperatures and typically only reduces alcohol down to 0.3–0.5%, our method is both gentler and more precise — allowing us to achieve a true 0.0% alcohol level without compromising flavor. After alcohol removal, we refine the wine with natural flavors and aromas, carefully selected to reflect the citrus, tropical fruit, and herbaceous notes that define Marlborough Sauvignon Blanc. The result is an elegant, expressive, and truly alcohol-free wine — bright, clean, and beautifully crisp.

**ALCOHOL BY VOLUME:** 0.0%
