THE STORY

Tablas Creek is a pioneer of California's Rhône movement. Founded in 1989, it is the culmination of a friendship between two of the international wine community's leading families dating back to 1967: the Perrin family of Château de Beaucastel and the Haas family of Vineyard Brands. Today, the vineyards at Tablas Creek are proudly Biodynamic® and organic certified by Demeter USA. **PHILOSOPHY:** Tablas Creek Vineyard follows the centuries-old Châteauneuf du-Pape tradition of blending, to produce wines that balance richness and elegance, while ensuring complexity, freshness, and minerality.
