

August Kessler

The Daily August Pinot Noir

THE FACTS

CEPAGE: 100% Pinot Noir

WINEMAKING: Hand-picked and carefully selected grapes undergo fermentation in open vessels, allowing gentle extraction and a classical aromatic profile. After fermentation, the wine is matured in Barrique in our historic cellar dating back to 1792.

THE STORY

Today, under August's guidance, the estate has become one of the flagship producers of the Rheingau area and has also acquired an impressive international reputation. The estate spans 80 acres of vineyards located in some of the best Rheingau sites, such as Assmannshäuser, Höllenberg, Rüdesheim Berg, Schlossberg, Lorchhäuser, Seligmacher, Hattenheimer Wisselbrunnen, and many more. They produce 60% Riesling and 40% Pinot Noir and are a member of the VDP and the German Barrique-Forum.
