## Finca Terrerazo MWO

### THE FACTS

COUNTRY: Spain

REGION: Valencia

APPELLATION: Utiel-Requena

CEPAGE: 100% Bobal

**WINEMAKING:** Toni Sarrion champions the variety Bobal, working on clonal selections and strict vineyard management for smaller and looser clusters. Finca Terrerazo is from two plots planted in 1945 and 1970 on dolomite limestone soil with chalky sand at 800 m. The plots are vinified separately by soil type with indigenous yeasts and undergo malolactic and aging in large, French oak vats and concrete.

**ALCOHOL BY VOLUME:** 14.0%

### THE STORY

In the late 1990's, Toni Sarrion began a one man crusade to save the indigenous variety Bobal and coax it from obscurity and rusticity to the forefront of truly world class wines. Ever evolving and pushing the quality level forward, Mustiguillo has moved away from the use of overt American oak as seen in earlier vintages in favor of concrete and French oak for wines of finesse & balance, realizing the potential of Bobal from the unique terroir of El Terrerazo. Mustiguillo was recognized for their extraordinary efforts by Wine & Spirits as one of the Top 100 Wineries of 2012.
