ALCOHOL BY VOLUME: 13.5%

## THE STORY

The vineyards for Vina Coterro are spread across the municipality of Alfaro in La Rioja on the fertile banks of the Ebro on the low slopes of the Yerga Mountain. This area offers a huge diversity of soil and microclimates, supporting a wide range of different grape varietals. This is a collaboration with Bodegas Burgo Viejo, Master of Wine Fernando Mora, and Valkyrie Selections - a classic, quality Rioja that is emblematic of the region.

## THE SELLING POINTS

SUSTAINABILITY: Vegan, Sustainable In Practice
