THE STORY

The Sattler family has been in the wine business in the village of Gamlitz, Austria, since the late 1880s. The family has a long tradition of quality and innovation, with Wilhelm Sattler Senior and his wife Aloisia laying the foundation for success beginning in the 1960s. Today the two Sattler brothers, Willi and Hannes, are leading the estate with the new generation by their side.

PHILOSOPHY: The family places great value on working closely with nature to produce their wines, caring for sustainable soil management and longevity of the vines.
