THE STORY

d'Arenberg is one of the undisputed kings of Australian Shiraz and other Rhone varieties that have historically defined the region. A century on, their vineyards have grown to some 450 acres in McLaren Vale, including Shiraz dating back to d'Arenberg's first plantings in 1912, and nearly one-third of McLaren Vale's old bush-vine Grenache. Fourth generation winemaker, Chester Osborn, recently converted all of the family's vineyards to organics and biodynamics and moved to solar energy in the winery. All the while, in terms of winemaking, not much has changed—all the wines are basket-pressed, the reds foot-trodden during fermentation; everything is done in small batches.
